## Weekly Newsletter 2.2.2024

### News

It's been another busy week in school with lots of wonderful achievements to celebrate.

The children were introduced to their code of conduct on Monday and have been working hard using this to live out our school vision of "At The Trinity we respect, engage and achieve." A copy of the children's code of conduct is attached for you so you know what we are expecting from the children every day.

It was lovely to see our Year 4 children taking part in the Sacrament of Reconciliation earlier this week. We would like to thank Father Richard and Ann Shepherd for all that they do for our children at this important stage of their faith journey.

A big well done to our Year 6 children this week too, they have worked really hard during their practice SATs tests and all really did try their best to show everything they have learnt.

Thank you to all of our families who are working so hard to improve attendance across the school by making sure your child is in every day, keep up the good work.
